Welcome!

Welcome to Passport America's 25th edition of the International Camping Directory! As we reflect on the past 24 years of providing our members with the best possible service of 50% off at selected campgrounds, we realize just how important it is to prepare the most comprehensive directory in the industry! Over the years we have grown together and this year you will find **1859 campgrounds now and growing - across the United States, Canada, & Mexico participating in our program.**

Founded in 1992 with a dream and a mission, Passport America has continued the success of providing our members and campground partners with the best possible club that rewards everyone in the program! Your membership with Passport America usually pays for itself the first time you use your card! In addition, by passing along our brochures **(with your ID# or NAME - referred by)** to your friends and fellow campers you can earn $$ upon the date your referral joins (see the details on the referral program). **This is just another way of us saying 'Thank You' for helping us grow and being a member of our club.**

Passport America would like to take this opportunity to thank each and every one of our cardholders and campground partners, those of you that have been with us from the beginning and those of you that are joining us for the very first time. We value you, our members and campground partners! Remember, at Passport America we are always happy to serve you!

From your family at Passport America
We wish you safe and happy travels!
May God bless you along the way!

Passport America Member Rules: Few & Simple

1. To visit Passport America campgrounds, you must have a valid Passport America card with the Passport America logo printed on it.

2. For each night's stay at a Passport America campground, you pay 50% of the regular nightly rate.

3. Access to Passport America campgrounds is on a space available basis.

4. Each participating park in the directory is individually owned and operated, and has different rules and regulations. Passport America members must abide by them when visiting. Members should check with each resort.

5. You may use your Passport America travel card as often as you like for the duration of your membership!

6. Please leave your campsites as clean as you find them. Passport America members pride themselves on this point. We also ask that all members be courteous when visiting Passport America participating campgrounds.

7. Passport America discount is not valid with any other discount.

8. We ask that all members who wish to renew their memberships to please do so through the Passport America office by **either mail, phone, fax, or by website.** Members may not renew at campgrounds or through other individuals. Passport America has a toll free number for your convenience and members can renew 24 hours on-line through our website.

9. Due to change in campground ownership, management, etc. information in the **Passport America Campground directory, online listings, etc.** is subject to change.

Campground Referral Program

In addition to our **Member Referral Program (pays $10USD per member referral),** we offer members and affiliate park owners a commission for each park they refer that joins. Regardless if you refer a park because it is somewhere you enjoy staying or you want to help a fellow park owner build his/her business, **we will pay you $50USD when you successfully refer a park that joins.** It is our way of expressing our gratitude for helping our business grow.

In order to receive a referral commission from Passport America, be sure to include your name and PA ID Number on the front page of the campground agreement/contract. **Please call or visit us online for more information.**

Understanding The Directory:

State/Province Map

Dots and Numbers: Each dot on the state/province map represents a general area where one or more campground(s) is located. Please refer to the corresponding number in the table of contents either on the same page or page following the map to identify the city, campground name, and directory page number.

Tent Sites and Rental Accommodations: Directly right of some campground names in the state/province table of contents, you will see one or both of the following symbols: Δ and +. These symbols help you to quickly identify which campgrounds also offer the following to PA members: Δ=50% Off Tent Site Rate, and += Discounts (ranging from 10% to 50%) for Rental Accommodations (Cabins, Hotels, Cottages, etc). Please refer to the last section of the directory for details regarding all Rental Accommodations. Campgrounds offering 50% off of Tent Sites will have the rates displayed on their directory listing below the RV Site rates.

Campground Listing

Amenity Icons: For your convenience, we have included helpful icons to serve as a quick reference of each campground's amenities and services. You will find the **Icon Legend** on the following page.

Contact Information: Contact information for each campground including: physical address, phone number, e-mail (when available), and website (when available) is included in each entry. This information can be found on the left-hand side of each campground listing, just below the campground's name. In order to offer you the most information possible we have abbreviated the titles of each of these categories: **P=Phone, W=Website, and E=Email**

Directions and Locations: Each listing includes simple directions to the campground, a map and GPS coordinates of the campground location. The directions and map can be found on the right-hand side of the campground's listing following the abbreviation: **D**. The **GPS** is located under the address on the left-hand side.

Information and Notes: Additional information regarding campground features and services not represented by an icon are listed in the **I=Information** section of the campground listing. Rules, any restrictions on the availability of the Passport America discount, and other important information are included within the **N=Notes** section.

Rates: Each campground listing also includes regular nightly camping rates **(for either RV or Tent Sites or both)** directly next to the Passport America **(PA)** Rate.

Special Notes

Additional Charges: There are some participating campgrounds in this directory that have felt it necessary to assess additional charges for some services due to circumstances beyond their control. We have attempted to point out those charges with an asterisk (*) so that you are fully aware of those charges in your decision when choosing a campground. We will continue to work with those campgrounds in a effort to ensure you receive the best value for your dollar. If you encounter a campground that has assessed you extra for services that we have not indicated in the directory, online, etc. we would love to hear from you.

GPS Coordinates: We ask for you to please notify us about any location that is incorrect. We will gladly make sure it is updated immediately online and in our next printed directory. Even though we feel that we have done our best to acquire these coordinates along with all of the information in our directory, we strongly recommend that you still pay close attention to the directory map and written directions provided. We also ask for you to please **call us** if you ever need any assistance with the information provided in the Passport America Directory. Please know that we are always very happy to help you!

PULL THRU, BACK IN, PHU, 20 AMP, 30 AMP, 50 AMP, DUMP, WIFI, CC, ICE, LP

I: 17 total RV Sites. We have created the perfect "overnight" stay park, featuring 11 pull-thru sites accommodating rigs up to 68ft; plus 6 extended-length back-ins. Many a "big rig" owner has commented on how easy it is to get in & out, not to mention the powerful 50 amp service & water pressure, neither of which "drops" even when we have a Rally gathering of up to 30 rigs. Restrooms attached to Camp Store, & offer Propane exchange, dump station, honey wagon, and a staff that LOVES to go the extra mile, after a long day on the road.

D: Located 20 miles from Appleton and 15 miles from Fond du Lac. The ONLY campground located RIGHT off Hwy 41 between Illinois border and Green Bay. Easy to get to, as you can take exit 113 from the South, or exit 116 coming from the North. Go approx 3/4 mile to the park.

N: Open year-round with limited facilities during winter. PA is not valid during EAA, Country USA & Rock USA festivals (call for details). Reservations recommended. Drive-ups welcome (call ahead to check availability). *Plus tax.

Come on Seniors! Let's Go Fishing America!

FISHERMEN/WOMEN: Please help in our effort to have senior citizens get a National Senior Fishing License by signing this petition! We here at Passport America are very much involved with campers and RVers. Passport America has identified the need to simplify the regulations and reduce the cost associated with fishing in any of the fifty states! Senior Citizens 62 years of age or older should be able to fish without a hassle!

We know that many people who love to fish choose not to do so because of the expense of obtaining multiple licenses. The time, cost and hassle involved is a major obstacle standing in the way of an activity that we should encourage: Enjoying the outdoors!

The Original Petition/Bill for Free Fishing for seniors died because of the lack of support from our nation's congressmen (minus Bob Ney of Ohio). Our new approach is to work at the state level to get a National Senior Fishing License that will be reasonably priced for all seniors.

We respectfully request support from you, your family, and friends that all senior citizens might fish without breaking rules. Please help us simplify the hassles of obtaining a license in every state. If this happened, we estimate that many of America's millions of senior campers would buy this license, and every state would see increased revenue to support their fish and wildlife agencies. As you know, state budgets are very tight now, so they are a willing partner. For everyone who is not currently a senior citizen, check your head for gray, you soon will be.

Thanks for your support,

Ray M Fernandez

As an avid senior citizen fisherman, I have been fortunate to fish in 36 different states, so far. I also am a vendor at numerous RV rallies, and I have talked with hundreds of RVers that would love to fish as they travel. The hassle and cost has discouraged them. Quite often the subject of a senior license comes up and everyone seems to favor a system to provide it. When I heard about the National Senior License concept, I joined in to help its promotion. Please sign the petition and email it to: seniorfishinglicense@passport-america.com or send to Passport America in Long Beach, Mississippi.

Dennis Miller
Fisherman & Lifetime Passport Member
Livingston, Texas

National (Annual) Senior License Requirements:

1) Through the appropriate fish commission, wildlife conservation office or similar regulatory agency of each state, a Senior citizen attaining the age of 62, may purchase an annual universal fishing license which grants fishing privileges in any participating state. The Senior citizen must also possess a valid fishing license and any required trout stamps or special "usage fee endorsements or stamps", etc. from his or her home state.

2) The fishing activity shall comply with the regulations and fishing management rules of the state in which the fishing takes place. It shall be the responsibility of the senior to obtain, read and understand these regulations and rules.

3) The cost of the annual senior universal license shall be $50. The fees collected shall be retained by each state's fishing regulatory agency or commission and be used to offset operating costs.
