How to Read a METRO Schedule

Time Listings: Read across. For example, Route 1 bus leaves the PTC (Portland Transportation Center) at 5:10 a.m. and arrives at Monument Square at 5:17 a.m.

MONDAY THROUGH SATURDAY		
OUTBOUND TO MUNJOY HILL		
PTC	Monument Square	North St E. Prom
A	B	C
5:10	5:17	5:25
5:45	5:55	6:05

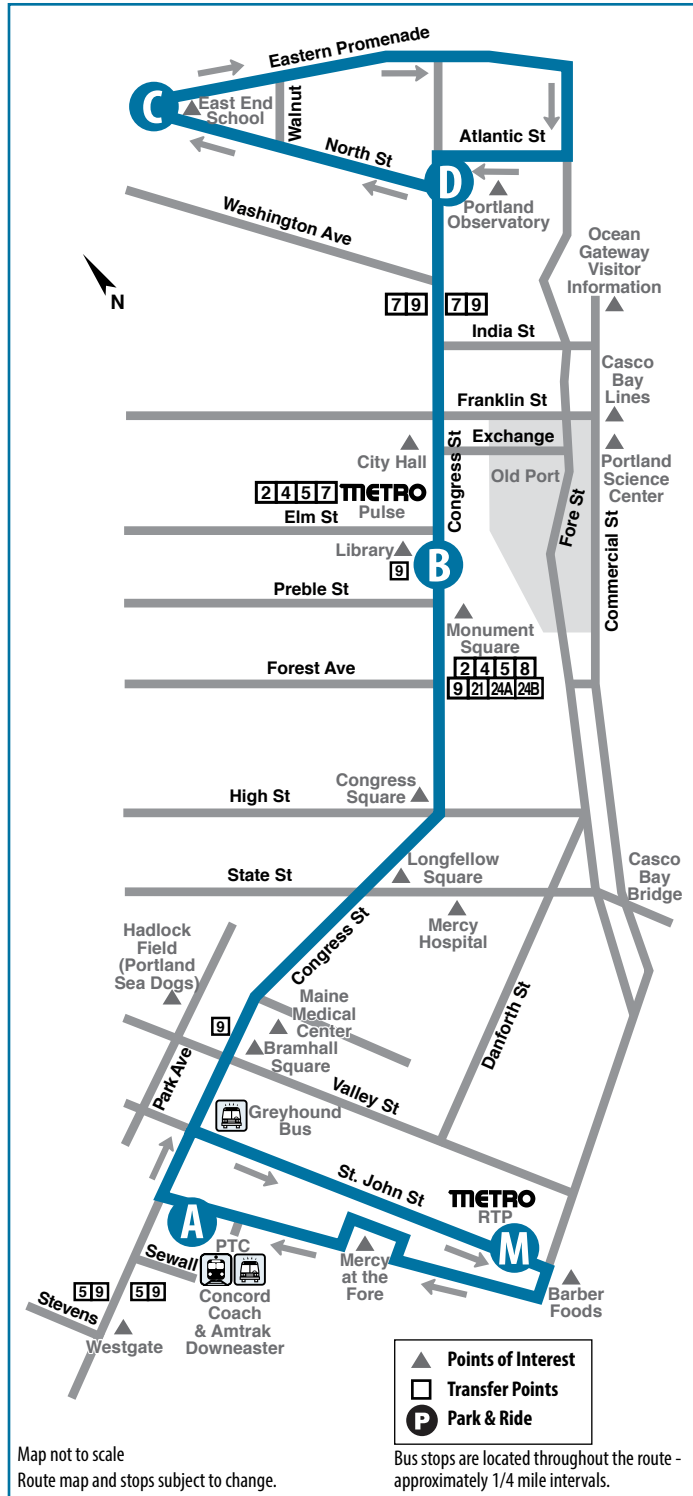

Hundreds of bus stops are located throughout our service area, approximately every 1/4 mile along routes.

The bus arrives at the locations marked with letters – timepoints – at the designated time listed. To determine when the bus will arrive at stops not listed as timepoints, find the location on the route map and the closest timepoint to estimate time of arrival.

Reach the Beach

Visit a Lighthouse (or two)

From downtown Portland, take Route 21 to the Willard Square stop (after Pillsbury Street/Cottage Road) and walk down Willow Street to Willard Beach. Climb the stairway at the end of the beach (near the SMCC campus) to Spring Point Lighthouse – walk the breakwater to the end.

To visit Portland Breakwater Lighthouse and Liberty Ship Memorial (with a bonus view of Portland's skyline), take the bus to the Pickett Street stop and walk to Bug Light Park.

Feeling adventurous? Walk 1.5 miles from the bus stop at Pillsbury and Cottage Road (or take your bike - see info at right), which turns into Shore Drive in Cape Elizabeth, to Fort Williams Park and check out Portland Head Light. Catch the bus back to Portland at the same bus stop.

Bus·Bike·Walk

All buses have two bike racks. Loading your bike on a bus is as simple as 1-2-3!

1 Remove water bottles and other loose items that could fall off while the bus is in motion.

Squeeze the handle up to release latch, then fold down the bike rack.

2 Lift your bike on the bike rack, fitting wheels into the slots.

3 Raise the support arm over the front tire, making sure that the arm is at the top of the tire and secure before getting on the bus. Board the bus, enjoy the ride and don't forget your bike!

Special thanks to the Bicycle Coalition of Maine, the statewide voice of bicyclists and a clearing house for bike-related information and events.
